

Bethany Transport, LLC

To whom it may concern,

I am W. Stacy Landers, Owner of Bethany Transport Company located in Sulphur Springs, TX. We were introduced to AmberTech MSM Lubricants and made the decision to treat our entire fleet of trucks with AmberTech M99. Right away our drivers witnessed a reduction in operating temperatures. We have validated fuel efficiency increases on every truck treated, ranging from 35% to 47% (on average by 40o/o). Without a doubt, fuel cost is our highest expense. These significant savings have proven to be a huge benefit to our company.

Without hesitation I highly recommend AmberTech MSM Lubricants.
